**2025 - 2026**

# **Capstone Classical Academy Uniform Policy**

## **Pre K - 12th Grade**

Policy Capstone Classical Academy sets a high standard for students in their dress and appearance to express reverence for God and for the task of education and to demonstrate respect for one another.

The academy employs a uniform policy for grammar and upper school students in an effort to foster a sense of community and unity as well as to promote a positive work ethic and modesty. Students are expected to be in uniform when on campus unless a rare occasion has been designated by school administration. Students will also wear their uniforms on most field trips and outings that occur during a typical school day. The uniform is governed by the following biblical principles.

The academy encourages parents to hold their children accountable for adhering to the uniform and dress code policy. When teachers must address infractions, precious time reserved for education is wasted. Uniform policy adherence is primarily the responsibility of the family at home.

1. The way we dress can honor God by reflecting respect for our bodies and for others or can dishonor God by showing disrespect for our bodies and others. (1 Corinthians 6:20)
2. We should not dress in a manner that draws self-gratifying attention. Instead we should be Christ-like in both conduct and dress. (Romans 13:14)
3. We should not view our physical appearance or beauty as the source of our value, but rather should see that our value is inherent as God's unique creation. We should strive to let our attractiveness emanate from a Christ-like spirit and good conduct. (1 Peter 3:3-4; 1 Timothy 2:9-10; Colossians 3:17)
4. All students must dress in uniform clothing designated by the academy for their biological, genetic sex confirmed at birth. (Genesis 1:27; Deut. 22:5)

Students are encouraged to honor the stated and implied principles of the uniform. We strongly discourage the practice of looking for loopholes and of applying a legalistic approach to the uniform in both practice and enforcement. Teachers do not enjoy reprimanding students and find even more distasteful debating with them over the uniform standards. Let's work together to make the uniform a useful tool.

## **Uniform Guidelines**

Students must wear the designated uniform for their grade level when attending classes or on school-sponsored trips except in the case of any exceptions outlined below or in cases of special events for which the administration has granted permission for variance from the uniform policy. Uniforms may be ordered from designated vendors. All accessories sold by our vendor on Capstone's vendors' websites are permitted (such as hair bows, crossover ties, ties for K-5 boys, etc.). Exceptions to our uniform policy may be requested in writing and should be related to a specific medical need or inability to find a proper fit within the options found at either of our preferred vendors. If uniform pieces need to be altered to maintain a dignified appearance, prior approval must be obtained from the headmaster.
