

CAPSTONE Classical Academy

Lower School Interventionist

Reports to: Lower School Dean

Employment Type: Full-Time

This individual works with students in grades 3 through 5 who require additional support in foundational academic areas, including math, grammar, writing, and other core subjects. The interventionist will deliver targeted instruction to help students build essential skills, improve academic performance, and gain confidence in their abilities.

Key Responsibilities:

- Provide individualized or small-group instruction to students needing remediation in math, grammar, writing, and other academic subjects.
- Assess students' current skill levels and learning needs using both formal and informal assessments.
- Develop and implement tailored instructional plans that address each student's specific areas of need.
- Reinforce foundational concepts using engaging, age-appropriate materials and methods.
- Track and document student progress, adjusting instructional strategies as needed.
- Collaborate with classroom teachers, student support specialist, and deans to support student learning goals.
- Communicate regularly with parents/guardians regarding student progress and strategies for continued learning at home.
- Create a positive and supportive learning environment that encourages student effort and achievement.

Qualifications

- Bachelor's degree in education or a related field (master's degree preferred).
- Prior teaching or tutoring experience, ideally with elementary students.
- Strong knowledge of foundational academic skills in math, grammar, and writing.
- Ability to assess student strengths and needs and design targeted instructional plans.
- Experience using assessment tools and data to guide instruction.
- Strong collaboration skills for working with teachers, administrators, and families.
- Commitment to fostering a supportive, structured, and Christ-centered learning environment.
