

Parent Application Document Checklist

Please note that the Application for Admission must be completed online at capstoneclassical.com/admissions/. However, all of the other forms needed for the admissions process are available for download and printing on our admissions page. We can also provide hard copies for you if that would be helpful.

Please complete the online Application for Admission and submit your School Records Request to your child's current school promptly as it can sometimes take several days or even weeks for sending schools to provide copies to you or directly to Capstone Classical Academy (CCA). If you need assistance with encouraging your current school to promptly provide copies of school records, please let us know. We will be happy to assist you.
