### Capstone Classical Academy Opening Fall of 2022

Fargo's first Classical Christian academy will open this fall. Capstone Classical Academy will offer Pre-K through 12th Grade classes, beginning with Pre-K through 6<sup>th</sup> grade in the Fall of 2022. The school will add at least one additional grade each year, assuring that those students who begin in 2022 will always be able to proceed to the next grade.

Capstone offers a Classical and Christian education, with the goal of teaching young Americans liberal arts and sciences, comprehensive American history, as well as principles of moral character and virtue.

Founded by longtime area residents who care deeply about youth, education, and citizenship, Capstone is a Hillsdale College K-12 Education Member School. Hillsdale College provides Capstone faculty, staff, and board members with annual training opportunities during which Capstone personnel will learn from a nationwide network of classical educators. Hillsdale College will also provide Capstone with curriculum, including full scope and sequence, along with ongoing support, visits, and evaluations.

Capstone is also pleased to announce the hiring of Headmaster Paul Q. Fisher, who brings 25 years of experience in Classical and Christian education. Mr. Fisher sees Capstone as a remarkable story. "From day one I have been impressed by the distinctively selfless and civic-minded motives of the citizens of the Fargo-Moorhead community who are supporting the Capstone project and by the remarkable parents with whom we have been able to share the Capstone story. I'm humbled and honored to be a steward of their vision."

Capstone will open with its campus and offices located at 3910 25<sup>th</sup> Street South in Fargo. The school will relocate to a new facility in southwest Fargo in the fall of 2025. The school will be designed by nationally renowned and award-winning architect Duncan Stroik.
